Certified Polygraph Examiner Bi-Lingual English/Spanish

Overview

Former Chief Polygraph Examiner for the State of New Jersey, Office of the Public Defender with over 35 years of experience in conducting polygraph examinations. I have conducted approximately 5000 specific issue polygraph examinations for criminal defense attorneys.

- Full member of the American Polygraph Association since 1989. Member of New Jersey Polygraphists Inc. since 1988.
 - Certified by the American Polygraph Association in 2001 to conduct Post-Conviction Sex Offender Testing (PCSOT).
-

Professional Experience

Office of the Public Defender, 1979 – 1988

Investigator Bi-Lingual English/Spanish – Conducted initial client interviews. Completed investigation requests submitted by defense attorneys, located and interviewed witnesses, served subpoenas and testified in Court. Assisted with the training of new investigators.

Office of the Public Defender, 1988 – 2001

Polygraph Examiner – Administered polygraph examinations statewide to Public Defender clients. Conferred with defense attorneys regarding polygraph examination results. Met with County Prosecutors and County and State polygraph examiners to review polygraph examinations administered to Public Defender clients. Conducted reviews of polygraph examinations I conducted with County Prosecutors and County and State polygraph examiners.

Office of the Public Defender, 2001 – 2012

Chief Polygraph Examiner – Administered polygraph examinations statewide to Public Defender clients. Conferred with defense attorneys regarding polygraph examination results. Met with County Prosecutors and County and State polygraph examiners to review polygraph examinations administered to Public Defender clients. Conducted reviews of polygraph examinations I conducted with County Prosecutors and County and State polygraph examiners.

Supervised the Polygraph Unit; established guidelines for conducting polygraph examinations; conducted quality control review of polygraph examinations; trained new polygraph examiners; provided training on polygraph methodology for polygraph examiners assigned to the Polygraph Unit; provided upper management with information regarding the overall operation of the

Polygraph unit; drafted a yearly report for the Public Defender regarding the overall effectiveness of the Polygraph Unit; made recommendations to upper management regarding the purchase of new polygraph equipment and the selection of polygraph schools; conducted training seminars for Public Defender Attorneys and Investigators regarding the use of the polygraph in criminal cases.

Present Affiliation

Joseph A. Rosario Forensic Polygraph Services LLC, - July 2012 – Present

Conduct specific issue polygraph examinations for criminal defense attorneys, government agencies and the Courts. Upon request, review polygraph examinations conducted by private and government polygraph examiners to ensure the examinations are conducted according to established polygraph standards and protocols established by the American Polygraph Association, the New Jersey Polygraph Association and the American Association of Police Polygraphists. Conduct post-conviction sex offender testing (PCSOT) for criminal defense attorneys, government agencies and sex offender treatment professionals.
